

TITANTEK™ BOARD AND BATTEN Panel

The TitanTek Board and Batten panel seamlessly combines timeless design aesthetics with modern technology, making it the ultimate exterior metal siding solution. The Board and Batten panel is secured with the TitanTek VariPanel attachment for clean, uninterrupted lines in a concealed fastener system. The 1" batten depth and 2" batten width adds dimensional interest while minimizing trim offsets. Whether you're looking to evoke a sense of tradition or make a bold statement, these versatile panels provide the perfect canvas for architectural creativity.
