

TitanTek WOOD LOUVER System

The TitanTek Wood Louver System is an accent system that brings together the aesthetics and function of wood louvers with the durability and lasting finish of metal. Available in standard sizes of 2"x 2", 2"x 4", and 2"x 6" (custom sizes available) in lengths up to 20 feet. Due to the systems' easy-install engineering, the system can be easily aligned for any continuous length installation.
