

TITANTEK™ PLANK VariPanel™

The **PLANK** VariPanel family is designed to be used with wood finishes and mimics the appearance of plank walls. These designs are ideal for both modern and traditional architectural styles that bring authentic, warmth, and rustic aesthetics. Engineered to last decades, design with confidence knowing your wood grain finishes are made from recycled U.S. steel, 30+ year finishes, and provide long-lasting and low-maintenance alternatives to traditional wood products.
